

Smart Shopper Upgrade & Downgrade Guide

This guide provides clear steps for upgrading from Smart Shopper to Smart Shopper Pro, or downgrading to Smart Shopper if needed.

Path to Upgrade: Smart Shopper → Smart Shopper Pro

Follow these steps to upgrade while keeping your same position and unlocking all CFORTH benefits.

Step 1 — Check Your Renewal Date: Write down your One Marketplace (1M) Smart Shopper renewal date.

Step 2 — Get Your CFORTH Invite Code: Ask your 1M enroller for their CFORTH invite code. If unavailable, contact Support for an alternate code.

Step 3 — Cancel Your 1M Smart Shopper Subscription: Cancel your subscription on One Marketplace. You will not lose your position.

Step 4 — Sign Up on CFORTH: Visit <https://cforth.com> and register using the same email you use on One Marketplace.

Step 5 — Become a CFORTH Premier Member: Select your country, Welcome Pack, and Subscription Product. Checkout and complete payment. Steps 1–5 can be done the same day.

Step 6 — Wait for Your 1M Subscription to End: Do not proceed until your 1M subscription has fully expired.

Step 7 — Activate Smart Shopper Pro: After expiration, go to <https://cforth.com/1m/>, select “Join as Smart Shopper Pro,” and complete checkout.

Congratulations! You’re now a Smart Shopper Pro — with access to both One Marketplace and CFORTH, plus increased earning potential.

Path to Downgrade: Smart Shopper Pro → Smart Shopper

If you wish to return to Smart Shopper status, follow these quick steps to make the transition smooth and maintain your position.

Step 1 — Cancel Your Smart Shopper Pro Subscription: Log in to CFORTH at <https://cforth.com>. Go to Account → Subscription Settings. Locate your Smart Shopper Pro subscription, click Cancel, and confirm.

Step 2 — Wait for Confirmation: Watch for a confirmation message or email. Your cancellation takes effect on your next renewal date.

Step 3 — Rejoin as a Smart Shopper on One Marketplace: Log in to <https://onemarketplace.com> using the same email. Select Join or Register as a Smart Shopper. Complete and submit your registration.

Important: Re-register as a Smart Shopper within 30 days of canceling your Smart Shopper Pro subscription to keep your position and benefits.

Note: If you so choose, you can also cancel your CFORTH Premier Member Subscription as well.
