**Are you a
Smart Shopper?**

What is the definition of a Smart Shopper:

A Smart Shopper is when you receive income from people who shop.

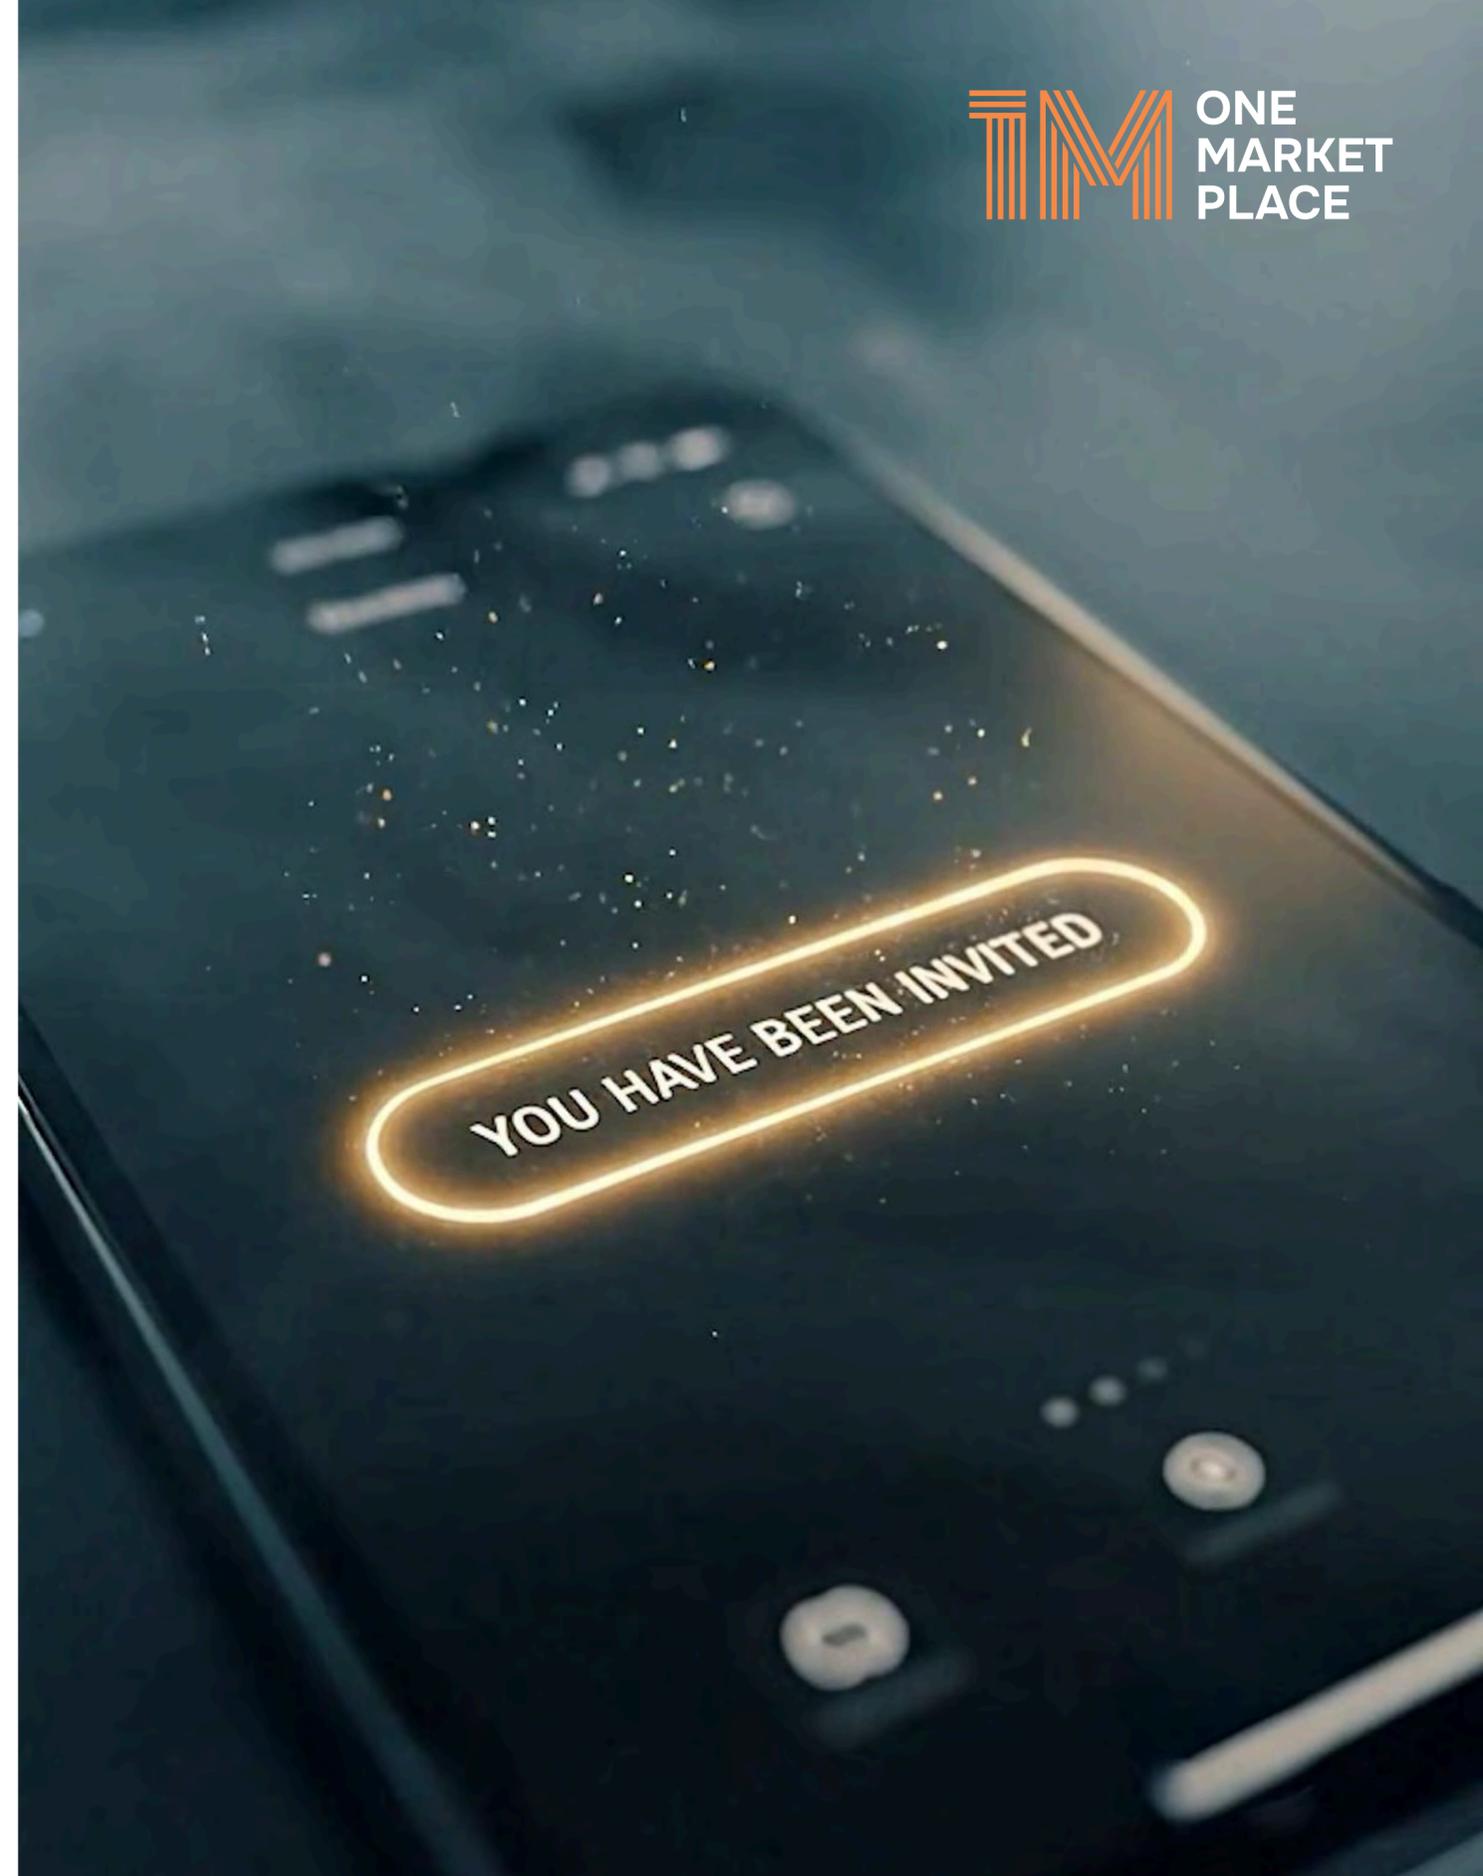

So where can you become a Smart Shopper?

The background of the slide is a vibrant, abstract digital graphic. It features several wavy, horizontal bands of light in shades of purple, magenta, and gold. These bands are filled with numerous small, bright particles and larger, glowing spots, creating a sense of depth and movement. The overall effect is reminiscent of a digital data stream or a futuristic landscape.
